

# The 14<sup>th</sup> TSME International Conference on Mechanical Engineering

**10-13 December 2024**

**Grande Centre Point Pattaya, Thailand**

In 2024, the 14<sup>th</sup> TSME International Conference on Mechanical Engineering (TSME-ICoME 2024) is co-organized by the Thai Society of Mechanical Engineers (TSME) and Faculty of Engineering at Sriracha, Kasetsart University. The conference will be held in Pattaya, one of Thailand's most attractive cities, and will once again bring together scientists, academics, researchers, and industry representatives to share knowledge and expertise in mechanical engineering and related disciplines.

As a forum for collaboration and networking among delegates, with in-depth discussions on research methodologies, findings, etc., the conference will drive research and extend science and technology frontiers. Accepted papers after the peer review process will be optionally published in the TSME conference proceedings, AIP conference proceedings and the Journal of Research and Applications in Mechanical Engineering (JRAME); last two indexed in SCOPUS. For further details, please visit the conference website : <https://www.icome.tsme.org/icome2024>

## ORGANIZING COMMITTEE

- Honorary Chair**  
Prof. Dr. Jarruwat Charoensuk (President of TSME)
- Conference Advisors**  
Vice President for Kasetsart University, Sriracha Campus  
Dean of Faculty of Engineering at Sriracha
- Conference Chair**  
Asst. Prof. Dr. Attaphon Chaimanatsakun
- Conference Secretary**  
Assoc. Prof. Dr. Manida Tongroon

## CONFERENCE TOPICS

- Alternative Energy and Combustion (AEC)
- Automotive, Aerospace, and Marine Engineering (AME)
- Applied Mechanics, Materials, and Manufacturing (AMM)
- Biomechanics and Bioengineering (BME)
- Computation and Simulation Techniques (CST)
- Dynamic Systems, Robotics, and Controls (DRC)
- Engineering Education for Sustainable Development (EDU)
- Energy Technology and Management (ETM)
- Thermal System and Fluid Mechanics (TSF)
